Charge and the Energy Body - Anodea Judith - 9781781809938

This book makes an important contribution to the growing field of Energy Medicine by looking at charge as the interface between mind and body, and the missing ingredient in Mind-Body healing. Charge and the Energy Body is a comprehensive explanation of how we can become "overcharged" or "undercharged" and how to bring about balance through practices of charging and discharging.

Anodea Judith | Charge book

We all know what it's like to have a "charge" about something. It's a feeling of excitement, fear, sexual arousal, or irritation. But what we don't currently know is how to use charge for the behaviors we want to create.Charge is a word for the basic life force running through us. This force is crucial if we are to meet the challenges of difficult situations, heal past wounds and ...

Charge and the Energy Body - The Vital Key to Healing You

charge and the energy body. Review One of my teachers said Judith was life changing for him. I have to say, I'm a fan. I learned a lot from this book. Judith, an expert in both psychology and yoga, specifically chakras, mixed both in this book. And it was eye-opening. So much so, I've already ordered another book by her.

Charge and the Energy Body - E bok - Ph.D Anodea Judith

When the body needs to send a message from one point to another, it opens the gate. When the membrane gate opens, sodium and potassium ions move freely into and out of the cell. Negatively charged potassium ions leave the cell, attracted to the positivity outside the membrane, and positively charged sodium ions enter it, moving toward the negative charge.
