It: The classic book from Stephen King with a new film tie ...

A tie-in work is a work of fiction or other product based on a media property such as a film, video game, television series, board game, web site, role-playing game or literary property. Tie-ins are authorized by the owners of the original property, and are a form of cross-promotion used primarily to generate additional income from that property and to promote its visibility.

"Movie tie-in edition" or "TV tie-in edition" (sometimes simply referred to as a "movie tie-in" or a "TV tie-in") as it relates to book publishing is a book whose jacket, packaging, contents, or promotion relates to a feature film or a television show, respectively. Promotional Tie-Ins and Marketing Synergy

NOW A MAJOR MOTION PICTURE - Stephen King's terrifying classic. 'They float...and when you're down here with me, you'll float, too.' Derry, Maine is just an ordinary town: familiar, well-ordered for the most part, a good place to live. It is a group of children who see - and feel - what makes Derry so horribly different. In the storm drains, in the sewers, IT lurks, taking on the shape of every nightmare, each one's deepest dread. Sometimes it appears as an evil clown named Pennywise and sometimes IT reaches up, seizing, tearing, killing . . . Time passes and the children grow up, move away and forget. Until they are called back, once more to confront IT as IT stirs and coils in the sullen depths of their memories, emerging again to make their past nightmares a terrible present reality.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. "[Bryan Stevenson's] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country."—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book "Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields."—David Cole, The New York Review of Books "Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela."—Nicholas Kristof, The New York Times "You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful."—Ted Conover, The New York Times Book Review "Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller."—The Washington Post "As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty."—The Financial Times "Brilliant."—The Philadelphia Inquirer

Follows the life journey of chef Hassan Haji, who progresses from his family's modest restaurant in Mumbai to master haute cuisine in an elegant Parisian restaurant.

"A great American writer...Highsmith's writing is wicked...it puts a spell on you." —Entertainment Weekly Now a major motion picture. Patricia Highsmith's story of romantic obsession may be one of the most important, but still largely unrecognized, novels of the twentieth century. First published in 1952 and touted as "the novel of a love that society forbids," the book soon became a cult classic. Based on a true story plucked from Highsmith's own life, Carol tells the riveting drama of Therese Belivet, a stage designer trapped in a department-store day job, whose routine is forever shattered by a gorgeous epiphany—the appearance of Carol Aird, a customer who comes in to buy her daughter a Christmas toy. Therese begins to gravitate toward the alluring suburban housewife, who is trapped in a marriage as stultifying as Therese's job. They fall in love and set out across the United States, ensnared by society's confines and the imminent disapproval of others, yet propelled by their infatuation. Carol is a brilliantly written story that may surprise Highsmith fans and will delight those discovering her work. This authorized edition includes an afterword by Patricia Highsmith. Previously titled The Price of Salt.

A terror-filled story of one family and their friends, as they struggle to survive in a world overrun by ravenous creatures that hunt purely by sound... Soon to be a major motion picture.

The official behind-the-scenes companion to New Line Cinema's international blockbusters IT and IT Chapter Two. The 2017 film IT brought a disturbing new vision to Stephen King's classic horror novel of the same name. In 2019, the story continued with IT Chapter Two, in which Bill Skarsgard delivered another acclaimed performance as the terrifying Pennywise the Clown. Collecting the best artwork produced during the making of both of these films—including concept art, sketches, storyboards, and behind-the-scenes photography—The World of IT explores the films' singular aesthetic and meticulous world-building. This compendium includes commentary from director Andy Muschietti; producer Barbara Muschietti; the acclaimed ensemble cast; and other creative players who helped bring King's perennial bestseller to life.

The extraordinary #1 New York Times bestselling story about the ability of books to feed the soul is now a major motion picture. This enhanced ebook edition is perfect for new fans and collectors alike. It includes: · An exclusive video welcome to the enhanced edition from Markus Zusak. · The official movie trailer for The Book Thief. · Videos featurettes introducing Sophie Nélisse (Liesel Meminger) and Geoffrey Rush (Hans Hubermann) and their roles in the film. · Clips from the film embedded in the original text. · A video interview with Markus Zusak. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl who scratches out a meager existence by stealing when she encounters something she can't resist: books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids, as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.
