Within The Road to Success, Brandon T. Adams and Samantha Rossin share every success and failure to ensure readers have the tools necessary to succeed in the world as it is today. Brandon T. Adams and Samantha Rossin, a newly engaged couple, spent 2018 traveling the country on a mission to find the true meaning of success before they tie the knot in marriage. Along the way, they experienced life with individuals who had achieved their own unconventional versions of success. Throughout The Road to Success, Brandon and Samantha bring readers into their own journey as a couple and share with them the lessons they learned that can help one discover their own meaning of success. Each success story and obstacle has its own lessons that provides readers with the wisdom necessary to achieve their own version of success in business, life, and love. After reading The Road to Success, readers find the answers they have been looking for to achieve their own success and happiness in life.

TarcherPerigee's powerful collaboration with the Napoleon Hill Foundation continues with another masterpiece from the grandfather of self-help prosperity teachings and the author of Think and Grow Rich! Are you lacking a sense of direction? Unable to chart a course for success in your life? Uneasy as to whether or not you are following the correct route to your destination? Study this guidebook for your life's journey. This book provides only time-tested advice for you to follow. In fact, Napoleon Hill created the first GPS system decades ago in the form of billboards that positioned his students on the Road to Success. What was true then is true now, and you will benefit immediately by applying his success coordinates to your life. When you have the "how to," it becomes easy to follow the signposts that deliver you to your destination right on time. Are you ready to begin? The Master Teacher Napoleon Hill awaits you. Open this book for your success itinerary and travel the footsteps he has placed on the pathway. With this book to guide you, you will not lose your way!

In The Business of the 21st Century, Trey Colley shares tips for Entrepreneurs in the context of what Can prepare, lead, and help them in their Entrepreneurial Journey. This book lends credibility to online business and shares everything someone needs to start their own online business with the help of technology.

A NO-HOLDS-BARRED ATTEMPT AT CHANGING THE WAY WE THINK ABOUT MONEY AND MAKING US FINANCIALLY FREE! Matters of Money bursts with nuggets, tips, advice, warnings, and road-maps for anyone interested in attaining financial freedom. Using Biblical wisdom as his foundation, David Oritsejolomi Gbenedichie has written a compelling book that swings from properly putting money in the right perspective to providing step-by-step suggestions on how to relate with money, acquire it, save it, invest it and share it. It is likely you won't put this book down once you get started. It is also likely your financial life will never remain the same if you study and practice the principles and laws of money the author has passionately shared in simple prose. Whether you are a teenager, a middle-aged person or nearing retirement, you will find enough wisdom and inspiration in this book to change your paradigm about money. David Oritsejolomi Gbenedichie is a well-respected speaker, author, mentor and educator in leadership, success and personal development. He is a pastor of pastors and oversees The Leadership Farm, a non-profit organization whose vision is to raise and inspire the next generation of leaders in Zambia in particular and Africa in general to become catalysts for positive change at every level of society. Oritsejolomi, believes you can grow leaders just like a farmer grows crops, he believes that the future and the fortunes of Africa can be changed by unleashing the wealth locked up in the minds of the next generation of African leaders. Besides this, Gbenedichie is a missionary, pastor and a lawyer by profession. He is married with four children.

What is the definition of success? Some people believe it is defined through money and power. John C. Maxwell teaches that success is not something that can be acquired. Rather, it is a journey. Maxwell reveals that success is not limited to those with big bank accounts or special abilities. Success can be achieved by anyone willing to apply a few practical principles to their daily lives. An excellent enhancement for the book by the same name, this workbook teaches readers the keys to success and how to apply them to their everyday lives.
