"Right or Wrong" is a jazz ballad from 1921. Composed by Arthur Sizemore and Paul Biese, with words by Haven Gillespie, it is described by the original sheet music as "a beautiful fox-trot ballad.". The lyrics tell of the loss of a paramour. The title comes from a refrain in the chorus:

Right or Wrong — Wanda Jackson | Last.fm

Every human being has a sense of right and wrong. This IS bias in itself. Because unbiased beings do not exist [in my opinion], no one can be turned to in the pursuit of the truth of right and wrong. Right and wrong, then, do not exist. Every single human being on the face of the planet have differing opinions regarding right and wrong.

" The Hormone Myth is a bracing, accurate breath of fresh air. It turns conventional wisdom about hormones on its head, and provides a far more liberating view of women ' s health than what we ' ve all been taught. " —Christiane Northrup, MD, author of Women's Bodies, Women's Wisdom " Is it that time of month? " " Is your biological clock ticking? " "You're so emotional lately—are you going through menopause?" We ' ve all heard it before. From the moody menstrual monster to the menopausal maniac, the idea that women become raving lunatics when their hormones fluctuate is firmly entrenched in American culture—anddeeply fueled by the media. But where exactly did this stereotype come from? How has it hurt women? And how can we move past it once and for all? In this breakthrough book, Robyn Stein DeLuca fearlessly exposes and debunks pervasive myths about women ' s hormones, and reveals how flawed, outdated research and sexism have joined forces throughout history to keep women " in their place. " With a revolutionary exploration of women ' s hormonal lives—from menstruation to childbirth to menopause—DeLuca shines a much-needed light on the lies that have impacted women. Now more than ever, it ' s time to resist the myth that women are ruled by their hormones. It ' s time for women to take charge of their lives. And it ' s time for women to own their emotions in a healthy and realistic way.

From Book's back cover: Shortly after midday on 27 June 2007, a man plummeted from his fifth-floor London flat. Did he jump or was he pushed? He is identified as an Egyptian millionaire who has been living in the UK since the early 1980s. His name is Ashraf Marwan. But that is only part of the tale, for Marwan was also an international businessman and arms dealer, married to Mona Abdel Nasser, daughter of the legendary Egyptian President, Gamal Abdel Nasser. A few years before, I blew Marwan's cover, unmasking him as a top spy who had been working for Egypt's biggest enemy - Israel. But there is a twist - one that even the most audacious writer of fiction might balk at. Soon after I exposed him, Marwan made contact. We met, became friends, and then kept in touch for almost five years. The day before he plunges to his death, Marwan phones. He is anxious and shaken and he asks for an urgent face-to-face meeting. We schedule it for the next day. It never takes place. Around the time we are due to meet, Marwan's body is found in the private rose garden below his flat in central London. This is the story of what came to be known as 'The Marwan Affair', which shocked the public and the Intelligence community. It is based on my diary notes; together with messages I sent Marwan over the years they tell the inside story of my relationship with the spy some call the greatest secret agent of the twentieth century.

Da diversi anni si assiste sempre pi ù a proficue contaminazioni tra il giallo e la letteratura tout court. Il risultato è l ' affermarsi di una narrativa ormai di riconosciuto livello artistico che, grazie soprattutto alla varietà à dei temi, alla complessità à degli elementi messi in gioco e alla ricerca sofisticata della struttura, risulta degna di essere esposta senza remore sugli scaffali delle librerie, accanto ai classici di ogni tempo. Siamo di fronte, dunque, a una vera e propria legittimazione estetica del giallo e di conseguenza a una sua necessaria rilettura critica; e ci ò in contrasto con il passato, quando si riteneva che il romanzo d ' indagine fosse da assimilare solo a una cultura di mero consumo, rivolta alle masse. Liberato il campo da una serie di persistenti luoghi comuni, il giallo — etichetta da intendersi nella sua massima elasticità à , come un arcipelago capace di abbracciare e ibridarsi con molteplici tipologie narrative — ha quindi acquisito una sua acclarata dignità à letteraria, imponendosi altres ì come fenomeno editoriale per antonomasia degli ultimi decenni. Del resto in una societ à dominata da messaggi audiovisivi, è proprio l ' impianto incentrato su trame ricche di suspense, mistero, indagine a risultare uno dei pochi strumenti in mano allo scrittore per catturare e avvicinare il lettore. Ad accrescere infine la qualità à di certi polizieschi sono la ricchezza delle storie raccontate, l ' intreccio calibrato e complesso, nonch é soluzioni stilistico-formali decisamente innovative e meno schematiche. Gli scritti qui raccolti sono stati presentati in occasione della seconda edizione del convegno Perugia in giallo: prestigiosi interventi che, spaziando dalla letteratura alla musica, al teatro, al cinema — soprattutto quello dell ' indiscusso maestro Dario Argento — hanno proposto suggestive riflessioni incentrate sul giallo nazionale; delimitazione geografica, questa, dettata dal desiderio dei curatori di focalizzare l ' attenzione proprio sull ' affascinante storia del nostro poliziesco.
