Laura Patterson is an American exchange student in Rome who, fed up with being ineptly groped by her young Italian beau, decides there's only one sure-fire way to find a sensual man: date a chef. Then she meets Tomasso, who's handsome, young -- and cooks in the exclusive Templi restaurant. Perfect. Except, unbeknownst to Laura, Tomasso is in fact only a waiter at Templi -- it's his shy friend Bruno who is the chef. But Tomasso is the one who knows how to get the girls, and when Laura comes to dinner he persuades Bruno to help him with the charade. It works: the meal is a sensual feast, Laura is utterly seduced and Tomasso falls in lust. But it is Bruno, the real chef who has secretly prepared every dish Laura has eaten, who falls deeply and unrequitedly in love. A delicious tale of Cyrano de Bergerac-style culinary seduction, but with sensual recipes instead of love poems.

A loving mother. A perfect family. A shock wave that could shatter everything. Freya Braithwaite knows she is lucky. In this compelling and heart-wrenching new work by bestselling author Amanda Prowse, one ordinary family tackles unexpected difficulties and discovers that love can find its way through life's darkest moments.

This book is a book of travel. And recipes. And cooking. But most of all, this book is a book of love. Our own family started out as relatively normal people living in a rather normal American town. Then God got hold of us and sent us to the world. As a family! On the way it became apparent that certain things were important: home in the midst of the new, familiarity in the midst of chaos, togetherness in the midst of too much work and a babble of strangers -- this all boiled down to the need for love! ""When you travel, live and work in so many places -- among so many languages and foods and manners of doing things -- you are changed. You don't stay quite the person you were when you left your humdrum life back home..." "" So this book is sent out to all those who dream of travel and adventure. Also to those who need to maintain a bit of home in the middle of the new. A book of food, of fun, of family -- a book of love.
